

MJ Ranch

668 CR 107 Whitesboro, TX 76273

Stallion Service Contract

Does not guarantee breeding until returned with deposit.

1. This contract made between MJ Ranch and (purchaser) _____ this _____ day of _____, 20__ for the mare _____ to the stallion _____ for the 20__ breeding season is an amendment to the stallion service contract.

The purchaser may not substitute another mare without the consent of MJ Ranch. Embryo transfers must have the written consent of MJ Ranch.

2. Purchaser agrees to pay the following fees.

- A. The non refundable booking fee stated in stallion service contract.
- B. The balance of the service fee and unpaid expenses as described in stallion service contract.
- C. Payment of shipping and courier fees may be subject to change without notice.

All fees and cost must be paid before semen will be shipped.

3. Reservations for shipped semen.

- A. Fresh chilled semen will be collected and shipped on breeding days only.
- B. All semen orders must be made by 12:00 pm the day before the requested collection date. Late orders are not guaranteed.
- C. Semen orders will be filled in this order of priority.
 1. All mares on premises of MJ Ranch. will be serviced first.
 2. If there is sufficient semen outside mares will be taken in order of scheduled booking.
 3. MJ Ranch would request notification when mare first shows sign of heat cycle.

4. Conditions

- A. Semen shall be provided only to healthy mares in sound breeding condition.
- B. In the event the mare is barren, open, not a maiden, MJ Ranch requires the submission of a recent negative intrauterine culture and biopsy.
- C. In all cases, the veterinarian must certify that the mare's immunization for equine rhinopneumonitis (equine herpes type 1) have been kept current.
- D. All mares are required to be examined by a licensed veterinarian by palpation and if possible also ultrasound.
- E. Purchaser agrees to have the mare examined for pregnancy by ultrasound and submit such results along with insemination and conception reports to MJ Ranch within 14 days after ovulation of that cycle. In the event that mare is barren, MJ Ranch may require the submission of a negative intrauterine culture and/or biopsy and/or progesterone assay.
- F. Purchaser agrees to have mare examined for pregnancy by veterinarian at 28 post ovulation

and again at 60 days.

G. Purchaser agrees that chilled semen requires special handling and that any attempt to breed a mare outside of a controlled facility, can greatly reduce or prevent chance of conception.

H. Purchaser agrees to return all insemination certificates to the breeding manager within 30 days of insemination.

5. Return of Service

A. The purchaser is entitled to 2 semen shipments per estrus cycle, for no more than 3 cycles per breeding season.

B. All terms within the stallion service contract concerning the live foal guarantee will be honored.

6. Liability

A. MJ Ranch is not responsible for lost, damaged, or delayed semen and makes no representations or warranties with respect to semen except that it is the stallion's and is viable semen at time of shipment.
